Positive & negative experiences

International workshop

Small group discussion

Hand outs, report back in Main group

International workshop

Final questions, remarks, closure

International workshop

EUCOSH

Lao Tze: the Way and its Power

He who devotes himself to learning
Seeks from day to day to increase his knowledge
He who devotes himself to the Tao
Seeks from day to day to diminish his doing

Let us think how to use our newly gained knowledge in a sensible way
To improve the working conditions of our brothers and sisters

Thank you
